

SERVING INDUSTRY AND GOVERNMENT

CPI² is a supplier of engineered equipment and services of the highest quality which are used in the construction and operation of commercial/industrial/institutional facilities. We can assist in the design, application, evaluation and implementation of systems which utilize our equipment. We are supported by the manufacturers of the equipment we represent with engineering, design, application and operational experience as well as on site presence.

AQUAPOINT	<i>Self-Contained WW Pre-treatment Systems, Decentralized and Distributed Sewer, Retrofit</i>
ARTUSA	<i>Sound Enclosures, Sound Curtains/Baffles/Lagging, Engineering Design</i>
BRISKHEAT	<i>Flexible Surface Heating—Tank, Hopper & Cylinder Heating, Pipe Tracing</i>
CAMCORP	<i>Bulk Conveying, Loading/Unloading, Dust Collection</i>
ERIEZ	<i>Metal Detectors, Magnetic Separation</i>
EVERLASTING VALVE CO	<i>Rotating Flat Disc Valves For Abrasive Service</i>
FOURNIER	<i>Industrial Rotary Press Dewatering—Minimal Maintenance, Small Footprint</i>
HAMMERTEK	<i>The Smart Elbow—Solves Tough Conveying Problems, Virtually Eliminates Wear</i>
HARTZELL FAN	<i>Axial/Centrifugal Fans Up To 327,000 CFM—General & Process Ventilation, Fiberglass Equipment</i>
HENKEL CORROSION	<i>Linings, Membranes, Monolithics—Polymer Concretes/Grouts, Brick Mortars</i>
INTERSYSTEMS	<i>Belt and Line Automatic Samplers</i>
POLARIS PUMPS	<i>Abrasive Duty Submersible Pumps</i>
PS INTERNATIONAL	<i>Oil/Water Separators—Complete Packaged Unit and Process Controls</i>
ROTEX	<i>Single and Multiple Deck Screeners, Gyrotory Action, Wet or Dry Separation</i>
WEATHER-RITE	<i>Full line of Gas-Fired Make-up Air Units and Radiant Heat.</i>
WEY VALVE	<i>All Stainless Knife Gate Valve, Bubble Tight Shutoff, Repackable in Place</i>
ROOTS/DRESSER—FACTORY AUTHORIZED SERVICE CENTER	<i>Warranty Repairs For All Blowers, Makes and Models</i>
